The Number of people infected with Covid-19 in NWA continues to rise. Maintaining 6 feet separation between non-household members and the wearing of face masks is critical to reducing the infection rate of this disease. Complying with these rules helps keep everyone safe and healthy.

Being marginalized or excluded is a lonely experience for many. In our communities today we often need to consider our own response to people of other nations, cultures and races. Maybe the readings today challenge our thinking. Reflect on a time when you have felt alien and unwelcome, or treated unfairly. How did it feel? Do you find it easy to stick up for yourself or someone close to you as the woman in the Gospel had to do? Her quick wit and easy repartee must have helped her achieve her aim. During this week try to put into practice some of the learnings from this Gospel – try to include an outsider
