Our life contains many tortuous paths that can be put right only by a change of heart. When we orient our heart towards God's love, we experience true self-love. When divine love reigns in our hearts, it tames all other loves. Divine love subjects all our natural emotions and affections to God's plan and service. All one's movements are at rest in this holy love. Those who have an abundance of sacred love have hearts full of confidence and hope, for they are on the straight path to wholeness in God.
